

# Respecting Older Students

Situation: Outside the school, background sounds of students doing club activities.

W: Hmm... He's SO **good looking**, and such a cool guy! I hope he'll LOVE the chocolate I made for him... Oh, there he is!

M: Oh hi! My friend told me that someone was asking me to come here. Are you the one who called me here?

W: Thanks for coming here, senpai. I know that you don't know who I am, but I've always **looked up to** you since I entered this school.

M: Your name's Satsuki, right?

W: Yeah! How did you know my name?

M: You're in **the school theater**! Last week I saw you in **the play**, and your acting skills were really good!

W: Really? I'm SO happy to hear that you were there! That was my first play ever, so **I was worried I wouldn't do well**.

M: Well, I hope you continue your career as an actress. You **have** so much **potential**.

W: Yeah, I will!... Um... I can't believe this. I hope you win a lot in your soccer matches too!

M: Ha ha... Thanks. I'll try.

W: Hey, I was doing some cooking last night, and I wanted to give you this...

M: But wait, I just want you to know that...

W: Shhh! It's OK. I know that you like someone else. I just want you to receive this chocolate.

M: No, no, it's not that, I have...

W: Thank you for **inspiring** me more! See you later!!!

(sounds of running away)

M: **Damn!** Why do I need to be **allergic to** chocolate!
