

## Adventure in Britain (1)

(Meeting at the airport)

Lucy: Taro! You're finally here! I've missed you so much!

Taro: I've missed you too, Lucy! I haven't seen you in forever!

Lucy: How was your flight?

Taro: It was great. I watched some movies, and slept for a few hours. I watched "Love Actually" on the plane, so it's so strange to be in Heathrow Airport right now.

Lucy: Aww, I guess we should've done a more dramatic reunion, like in the movies then!

Taro: (Laughs) Nooo... but I'm so ready to go sight-seeing!

Lucy: Well, I'm glad you're excited, 'cause I got us this new mystery tour around England. I think you're gonna love it!

Taro: Cool. Where are we going then? Because I've looked up some landmarks myself.

Lucy: Well, I don't have much time to explain. Because... (badly acting) I'm getting kidnapped!

Taro: Lucy, what are you doing? You're such a bad actress. I KNOW you're not actually getting kidnapped. Lucy! Where are you going?

Lucy: I AM getting kidnapped, but don't worry. It's all a part of the tour plan. Don't worry!

Taro: What do you mean "don't worry"!?

Lucy: The first clue is "the Elizabeth Tower"! See you later!
