

Adventure in Britain (3)

(phone rings)

Taro: OK, Lucy, I'm here!

Lucy: Haha. I knew you would. "I spy with my little eye, the London Eye!"
Get it?

Taro: I don't think that's the way the game works, Lucy...

Lucy: It isn't, but you have to appreciate the pun! So, do you like the view?

Taro: It's amazing! I can see everything. There's Buckingham Palace. Oh, is that the Gherkin? Wow! And Big Ben! It was so huge when I was on the ground, but from here it seems tiny!

Lucy: I'm glad you're enjoying yourself! During New Year's you can see beautiful fireworks around these landmarks. Maybe we can go see it next year!

Taro: I'd like that. And next time please don't kidnap yourself?!

Lucy: Ahh... I can't make any promises!... Now, are you ready for your next clue? Look under your seat!

Taro: Lucy, how did you know which carriage I'd get on?!?

Lucy: I didn't! There's a clue on every carriage, under every seat of the London Eye.

Taro: Ah! The amount of effort you put in this! OK, the next clue is...
"Get something to eat. How about carbs?"
